Education

R. C. Patel Institute of Technology

Bachelor of Technology in Computer Engineering (Till 5th Semester SGPA: 7.25)

Shirpur, Maharashtra

Mauli Junior College of Science

HSC (Percentage: 98.20%)

Akola, Maharashtra

Saint Paul's Academy

SSC (Percentage: 88.60%)

Akot, Maharashtra

Internship Experience

R3Sys

Feb 2024 – March 2024

Java Developer

Remote

- Worked as an Intern in Java development using Core Java, Advanced Java and Spring framework.
- Built a robust backend with the Spring Framework architecture for a service provider hiring app.

Oasis InfoByte

Sep 2023 – Oct 2023

Web Developer

Remote

- Worked as an Intern in Web Development and have hands on experience on HTML5, CSS, Javascript and Bootstrap and Node.js in backend.

Projects

QuickHire | Core Java, J2EE, Spring, Hibernate, JSP, Servlet

- Developed a website for local service providers to list their services, enhancing their visibility within their local city.
- Created a feature for new residents to easily log in, find, and hire local service providers, saving both time and money.
- Designed and implemented the entire back-end using the Spring framework, handled database entries with Hibernate template, and developed the front-end with HTML5, CSS, JavaScript and Bootstrap.

CarRental | Core Java, J2EE, Spring, Hibernate, JSP, Servlet

- Developed a platform for local residents to list their unused vehicles for rent, particularly for those often out of town due to work.
- Enabled tourists to book these vehicles at affordable rates for city commuting, with a streamlined booking and payment system for vehicle owners.
- Integrated a secure payment gateway for hassle-free transactions between tourists and vehicle owners.
