Internship Experience

R3 Systems India Private Limited   Feb 2024 – March 2024
Java Developer Intern   *Nashik, Maharashtra*
- Worked as a trainee in Java development, focusing on Core Java and the Spring Framework.
- Built a guided project of a service provider hiring app using the Spring Framework.
- I understood the MVC pattern of web applications and became familiar with Spring MVC and Hibernate ORM.

Projects

QuickHire | *Core Java, Spring, Hibernate, J2EE, HTML, CSS, JavaScript.* 🔗
- Developed a website for local service providers to list their services, enhancing their visibility within their local city.
- Created a feature for new residents to easily log in, find, and hire local service providers, saving both time and money.
- Designed and implemented the entire back-end using the Spring framework, handled database entries with Hibernate template, and developed the front-end with HTML5, CSS, and Bootstrap.

CarRental | *Core Java, Spring, J2EE, Hibernate, HTML, CSS, JavaScript.* 🔗
- Developed a platform for local residents to list their unused vehicles for rent, particularly for those often out of town due to work.
- Enabled tourists to book these vehicles at affordable rates for city commuting, with a streamlined booking for vehicle owners.
- Implemented the Backend System using the Spring Core while handling the database section with MySql and Hibernate.

Education

R. C. Patel Institute of Technology   2021-2025
Bachelor of Technology in Computer Engineering (CGPA: 7.44)   *Shirpur, Maharashtra*

Mauli Junior College of Science   2020-2021
HSC (Percentage: 98.20%)   *Akola, Maharashtra*

Saint Paul's Academy   2018-2019
SSC (Percentage: 88.60%)   *Akot, Maharashtra*

Skills

Language: Java, C, Python, SQL.
Soft Skills: Problem Solving, Teamwork, Resilient, Adaptable.
Database: MySQL, PostgreSQL.
Familiar Technologies: Spring Core, Spring Boot, J2EE, Spring Data JPA, Hibernate, Git, GitHub, HTML, CSS, JavaScript, Microservices, RESTful API.
Cloud Services: AWS, EC2, S3, CloudWatch.
DSA: Solved 300+ problems across platforms like LeetCode 🔗 and CodeChef 🔗.

Certifications

Fundamentals of Java Programming : Coursera 🔗   *03/2022 - 08/2022*

Meta Learning : Coursera 🔗   *01/2023 - 03/2023*

Personality Development Course : Aspire Institute of Human Development 🔗   *06/2021 - 07/2021*

Extracurricular Activities

Participated in Detective Dilemma 2023 event (Finalist) , 🔗 Detectives Returns Event in Converges24, 🔗 CodeCraze Hackathon 2024, Tech Hunt 2022 Hackathon.
